

# Cultural Inclusion & Baltic Sea Vision 2030

BSSSC 2016 Youth Event  
14.9.2016 - Workshop Results  
Report DRAFT 0.9

#BSSSC2016

## The BSSSC Youth Event 2016

Cultural Inclusion & Baltic Sea Vision 2030

Time: Wed 14th September 2016 9.00-16.00

Place: HAMK University of Applied Sciences  
Visamäki Campus, Visamäentie 35  
[www.hamk.fi](http://www.hamk.fi)

The BSSSC Youth Event will be organized in Hämeenlinna Finland back-to-back with the 24th BSSSC Annual Conference. There will be two participatory workshops addressing currently important themes of Cultural Inclusion and Baltic Sea Vision 2030. The results of the workshops will be presented at the BSSSC Annual Conference.

The BSSSC Youth Event 2016 offers again an opportunity to create new ideas, partnerships and life lasting friendships. It's time to gain a loads of new knowledge about how to be active at Baltic Sea!

#BSSSC2016

Youth policy is one of the main priorities of the BSSSC. Since the establishing of the BSSSC, youth work and youth events have been supported and promoted by the BSSSC Board. Today the work group consists of civil servants and youth representatives from the participating BSSSC subregions.

The BSSSC Working Group on Youth Policy and the host region Häme welcomes you very warmly to the BSSSC Youth Event 2016 to Hämeenlinna!

- Online chat with doctor
- Automate diagnosis of symptoms

Olav's day 14/9 2030 (Saturday)

06:00 Woke up by the SVPAs, snooze and go back to sleep. checking social media.

06:10 Planned snooze ends

07:00 Shower } scans for sensors  
                  } quick cool shower, right?  
                  } scans water

07:30 Robot made by his personal robot (PR), menu is varied automatically according to physical condition, mood, location, time...

07:40 Takes the bus/train with no other

08:00 Arrives at university, late on equipment, VR, to start parking.

9:00 Practice ends. No lunch, meal pill (protein, glucose, electrolyte, rounded...)

10:00 Arrives at a "food" restaurant with VR, with his partner/S.

11:00 Goes for a virtual shopping, paying with chip/code on hand, or money

12:00 Dinner in Austria, he is testing telepresence technology for a company, loses his hand.

1:00 Party in Austria! (because no money is free)

11:00 Goes to sleep

Is Riga under water?

SEP 14th 2030

OLAV: 70 years old, works as a teacher

6 am - wakes up and does yoga, eats breakfast

7:30 am - takes his bike to work, realizes its Saturday, so he rides his bike home again.

9 am - Olav updates his Tinder - profile with new selfies, and pictures of his cat. Then he plays some games on his iPad.

2 pm - Olav eats lunch, and then takes a nap on his couch.

4 pm - He gets ready for his Tinder-date. He drives his truck to the restaurant and eats dinner with his date. After the meal he pays with his phone. Olav's date shares a photo on her Facebook account.

7 pm - The two beebirds goes to the local cinema and watches a 4D movie.

10 pm He falls asleep

# Concerns in 2030

....

# Youth Participation 2020

CONCERNS IN 2030

- Crazy water levels
- drone rebellions/terrorism
- enough food?
- retirement?
- ...
- Animals and plants going extinct

Concerns:

- Technology controls everything
- His retirement, expected to have to many old citizens
- Global warming. A lot is better, but overpopulation is a problem

- Future of tourism
- Democracy
- Water quality
- Eurovision Song Contest
- Population
- Migration
- Remembering Cold winters

YOUTH PARTICIPATION

IN 2030

GLOCAL

GLOBAL

- ✓ volunteerings
- ✓ engagement in politics
- ✓ vocational placement in Baltic sea region
- ✓

Youth Participation

- VR Meetings + real meetings
- local groups - cross regional

Youth councils even in smaller cities + more regional cooperation

The Same

Thank you for your active participation!
