## ***Letter of Invitation***

# **CaSYPoT project conference**

***12<sup>th</sup> December 2017, Słupsk, Poland***

Dear Sir or Madam,

The Regional Council in Kalmar County and the City of Słupsk would like to invite all project partners and relevant stakeholders with the Euroregion Baltic and beyond for the CaSYPoT project conference, which will be held on 12<sup>th</sup> December 2017 in Słupsk, venue to be confirmed.

The conference will be devoted to sharing the results of youth survey carried out in the partner municipalities in Lithuania, Poland, Russia and Sweden and the comparison of the situation of youth in the Euroregion Baltic.

The CaSYPoT survey has been developed based on the Swedish example of LUPP investigation (Local follow-up of youth policy) organized by Swedish Agency for Youth and Civil Affairs in consultation with municipal representatives and researchers, which has become the core of a model for following up and developing a knowledge-based municipal youth policy. The survey gathers information about influence, democracy, work, health, leisure and situation in the school, and also about the future of young people in the municipality. This became a simple way to find out how young people's situation looks locally and consequently develop an effective youth policy based on cooperation between different sectors. In CaSYPoT this method is tested internationally in the Euroregion Baltic area.

In addition to the conference a project partner meeting will be organized on 11<sup>th</sup> and 13<sup>th</sup> December 2017. The partners will discuss how the results of the survey should be used for preparing youth strategies in municipalities and in Euroregion Baltic as well as they will select tools for improved dialogue with youth, which will be tested during the project.
