Bornholm – 3 main topics of directions

- Bright Green Island
(energy, climate, waste, food etc.)
- Increasing the population
(housing, employment, integration, schools and children care etc.)
- Social care and good working environment

Interest in joint international projects

- Yes, projects with added value and connected to the regional strategies of Bornholm
- Programmes: We are open to all kind of programmes, but the most relevant in ERB might be the South Baltic programme

Sustainable Development goals – any good practice

- Bright Green Island addresses more specifically 8 of the 17 SDG's (No. 2, 7, 8, 9, 11, 13, 14, 17)
- Other regional strategies addresses almost all the other SDG's such as No 3 – health, 4 – education and 6 – clean water.
- Good practice: sustainable energy (7), climate (13) and partnerships (17).
