

# 2010 – 2011

## Introduction

ERB Action Plan 2010 – 2011 has been designed with the primary aim of meeting the first challenges of the ERB 2020 Agenda, which in turn reflects the review process of our cooperation. This process was initiated by the ERB Board in October 2009 and successfully concluded with the ERB Council decisions in October 2010.

ERB 2020 Agenda defines three focus areas of our cooperation: lobbying, strategic actions, and exchange activities. These three focus areas are supported by specific activities to be executed until the end of 2011. ERB Executive Board will perform the monitoring and evaluation of the implementation of the ERB Action Plan 2010 – 2011, the results of which will be included in the annual activity reports for 2010 and 2011.

# Focus area 1: Lobbying

#### **Strategic objective:**

Enhancing the role of ERB as a lobbying platform towards the European Union.

#### Rationale:

We will take an active role in shaping of EU policies which are in scope of our common interest. The scope includes, but is not limited to the following issues: EU Cohesion Policy, EU Strategy for the Baltic Sea Region, Europe 2020 Strategy, TEN-T Policy, Rural Development Policy, EU — Russia Cooperation Strategy and EU Eastern Partnership. Cooperation with the European Commission, European Parliament, Committee of Regions, other Baltic organisations and regional offices operating in Brussels will be an important part of the lobbying effort.

# Focus area 2: Strategic actions

# Strategic objective:

Enhancing the added value of ERB cooperation

### Rationale:

Strategic initiatives within ERB serve a multi-fold function. By enabling networking among a variety of partners and providing complementarity with the regional development strategies, such actions upgrade added value of cooperation. By inviting high political representatives of the regions and involving other important stakeholders, such actions strengthen the vitality of the cooperation.

# Focus area 3: Exchange activities

### Strategic objective:

Deepening mutual relations and strengthening cooperation between the ERB member regions

#### Rationale:

The stakeholders of ERB cooperation are strongly convinced that significant progress in innovation and in operational efficiency can be successfully generated when knowledge is exchanged. Therefore, they commit themselves to exchange activities in belief that that collaborative approach to common challenges by local and regional politicians, decision-makers, experts, practitioners and youth will lead to deepened relations and strengthened cooperation between the ERB member regions.
