# AGREEMENT ON ESTABLISHING THE EUROREGION "BALTIC"

### PREAMBLE

The regional and the local authorities of the border regions of the South East Baltic – the Parties of the present Agreement,

co-operating with one another within the scope defined by the laws in force in their countries.

taking into account that the Euroregion realizes the eagerness of the local communities for multilateral co-operation, based on the existing bilateral relations,

taking into consideration the European general convention on the cross-border co-operation of the communities and territorial authorities 'dated May 21, 1980 and The European Charter of Local Self- Government dated October 15, 1985

confirming the desire for co-operation, creating the basis for contacts between people, economic organisations and authorities.

accepting that the main target of the Euroregion is to prepare and realist joint plans and projects for the development of the border areas, as well as to remove barriers in co-operation.
