# SOUTH BALTIC IN MOVING IMAGES

Within the call for a movie project, German-Polish consortium composed of **Wismar University** and the **University of Szczecin** proposed nearly one hour movie, that will **support the dissemination and capitalisation activities of the South Baltic Programme**, notably by **showcasing the added-value of Southern Baltic Sea cooperation through selected project results** from the programming period 2007-2013 and **their impact on the life of citizens, the economy and the environment.**

# SOUTH BALTIC IN MOVING IMAGES

10 crew members

5 South Baltic member countries

20 shooting days

2 drones, 3 cameras, 1 Digital Bolex  
hundreds of kilometers on the road

...

44 excellent experts

in 5 thematic fields:

**Smart business development**

**Smart labour and skills development**

**Smart environmental solutions**

**Smart tourism development**

Part-financed by the European Union  
(European Regional Development Fund)
